License to Publish

I. Requirement of Acceptance:

The following Grant of License (“License”) must be signed and returned to the FORMATH Research Society (“FORMATH-RS”) before a manuscript can be accepted for publication in the online Open Access journal, FORMATH.

By signing this License, you represent and warrant that you have the authority and all necessary rights to execute this License. For example, if your institution places limitations on publishing agreements or asserts its own right to distribute or provide access to the works of its faculty, you must obtain a waiver from your institution that releases you from such restrictions so that you can sign this License. After the publication of your manuscript by FORMATH-RS, your institution may exercise all rights to use the Work, as are retained by Authors in Section III of this License.

If the copyright of the “Contribution” is owned by your employer, then your employer or an authorized representative must sign this form.

Should FORMATH-RS decide not to publish your manuscript, upon notification to you that FORMATH-RS will not publish your manuscript, this License shall be null and void. FORMATH-RS retains complete discretion as to whether to publish any manuscript, and in what form.

You retain copyright, subject to the rights you grant to FORMATH-RS above, and all rights not expressly granted in this Agreement. No rights in patents or trademarks or other intellectual property rights are transferred to FORMATH-RS in this License.
